

Be Sure You're Insured

Don't rely on carrier liability by assuming it's "insurance."

Know the key differences in coverage between your InsureShield® Shipping Protection policy and what is offered by the carrier.

**InsureShield®
Shipping Protection**

by UPS Capital Insurance Agency, Inc.

INSURESHIELD® COVERAGE

Shipments are covered for **porch-pirated theft**.

Claims for **concealed damage** (internal damage) may be filed **up to 90 days** after the delivery date.

Expedited reshipment costs can be covered **up to 20%** of the insured value.

Claims can be filed **up to 9 months** from the estimated date of delivery.

Coverage up to invoice value of the goods plus shipping.

CARRIER LIABILITY¹

Packages are **not** protected once delivered.

Parcel/postal carriers **do not** cover concealed damage. Some LTL carriers cover this, but damage must be reported within 5 days of delivery.

No expedited reshipment coverage.

Depending on the carrier and service level, shippers can be required to file claims within **120 days** of delivery or less.

Generally, small package carriers pay claims based on **replacement value** of the goods, and some LTL carriers may settle claims based on the weight of the shipment, regardless of its value.
